# WELCOME

Welcome back to NXT-Udaan, our quarterly magazine! I am thrilled to bring this to you and present a vibrant collection of articles and updates that showcase the remarkable tapestry of our organisation. We have come a long way since 2020, when we first launched NXT-Udaan and bringing it back after two years has been an experience.

These pages talk about new launches, latest updates, industry trends, and most of all, celebrate our people. You will find the essence of our company's culture, the dedication of our teams, and the spirit that drives us forward in these pages.

Since it's the festival season in India, NXT-Udaan talks about celebrations. We focus on the one thing India is known for... its rich culture and vibrant festivals! We have launched our own 100-Day Festival Plan and are set to end 2023 on a business high. We are on a mission to accelerate our success to transform and emerge triumphant in the next 100 days and reinforce our customer centricity.

I hope you enjoy reading this edition as much as we enjoyed putting it together. Please share your thoughts and contribute to future editions. You can address your thoughts and contributions to [udaan@nxtdigital.in](mailto:udaan@nxtdigital.in). We would love to hear from you.

Wishing you insightful reading,

**Akriti Aggarwal**  
Editor-in-Chief

## Vynsley Fernandes

Whole-time Director, HGS and  
The Head of the Digital Media Business

Greetings **NXT** Parivaar,

I am thrilled to welcome you back to the latest edition of **NXT-Udaan**, a platform through which we share the incredible journey of our organisation and our remarkable success story and achievements. As we delve into the pages of this publication, we embark on a journey of discovery, inspiration, and innovation.

In a rapidly changing world, we have faced unprecedented challenges and emerged more robust, agile, and committed to our vision. This magazine serves as a window into the heart and soul of our company!

Our 100-Day Festival plan, which began on September 20, 2023, has filled everyone with a renewed sense of vigour, strength, and enthusiasm to achieve their targets in the 100 days leading to New Year 2024.

Within these pages, you will find chronicles of our relentless pursuit for excellence. From product launches to community outreach initiatives and celebrations, we continue to push the boundaries of what is possible.

I want to thank our employees, business partners, Last Mile Owners, SAP Partners, vendors, and all those who have supported us on this incredible journey. Your unwavering belief in our mission fuels our determination to innovate and create positive change.

Thank you for being a part of our journey. Together, let's walk on our shared path to success!

# ALL THE SCOOP

## COMPANY SNAPSHOT

June to September 2023 saw a flurry of activities and new launches in the organisation. While a few areas witnessed heavy rainfall, our DSPs ensured entertainment never stopped with special Monsoon offers for everyone.

Safety is of prime importance, and we stood by our partners and customers in tough times of extreme flooding in North India. We provided sheltered spaces to people with no place to sit and offered access to clean drinking water and food in Hakikat Nagar, Delhi, 110009.

## COMPANY SNAPSHOT

Where there are festivals, there is a feeling of celebration, joy, laughter, and oneness everywhere. Keeping this spirit alive, **NXTDIGITAL** brought celebrations from all over India right into people's homes with the live relay for the Ganapati visarjan and the visuals of people celebrating various Indian festivals such as Jagannath Rath Yatra, Eid-Ul-Adha, Guru Purnima, Independence Day, Parsi New Year, Nag Panchami, Onam, Raksha Bandhan, Teacher's Day, Krishna Janamashtami, Ganesh Chaturthi, and Eid-e-Milad-un-Nabi. We setup free public wi-fi stations on the Ganapati visarjan route and supported our partners during the Krishna Janamashtami Matki Phod event.

## COMPANY SNAPSHOT

Sports events are a treat to watch for everyone, with each win a festival and every loss a motivation to do better the next time. Our live stream for the Asian Games, Cricket, Football, and Wimbledon events happening worldwide right into the fans' homes kept them glued to their seats cheering for their favourite teams.

Health and wellness are important aspects of everyone's life that need care and attention. Keeping this in mind, the P.D. Hinduja Hospital & Medical Research Centre recently conducted a Health Check-up camp at our Mumbai office to check vital health parameters of our employees

## COMPANY SNAPSHOT

We had one of the fastest activations for **NXT-HUB** in Amritsar, Punjab by the **NXTDIGITAL** team and we did it in record time! Our customers there now enjoy our bouquet of services of over 650 digital television services, high-speed broadband, and over 300,000 hours of OTT content.

At a convention centre that was inaugurated by the honourable Prime Minister of India, Sh. Narendra Modi in New Delhi, public Wi-fi was provided by **ONEOTT INTERTAINMENT LTD. (OIL)**.

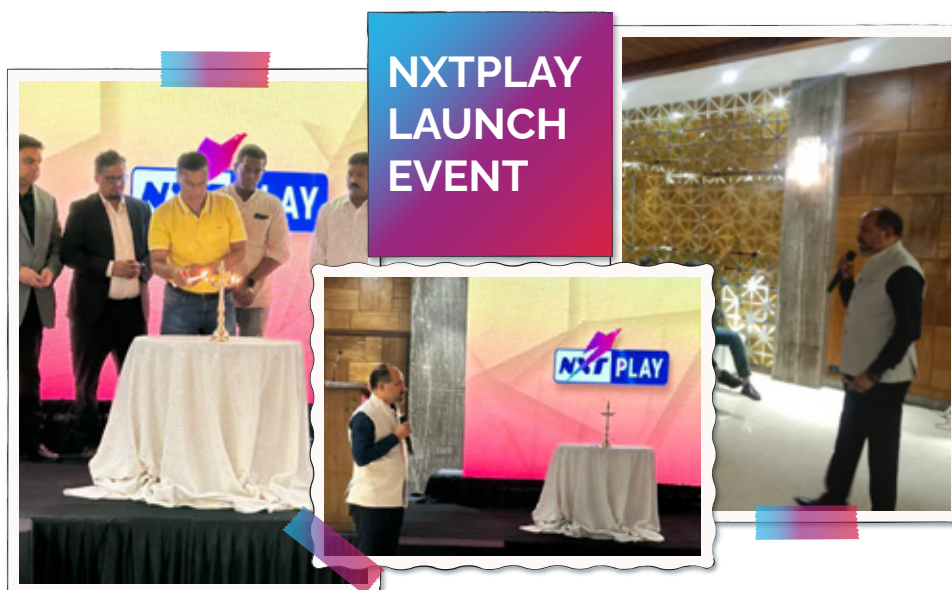

We had two events happening back-to-back in Goa, which included the **OIL Strategic Partner Summit** and **NXTDIGITAL DTV Meet** from July 25 to July 28, 2023. Our strategic alliance partners, last-mile operators, and employees converged to make the event a resounding success and carry home strong relationships and lasting memories.

## COMPANY SNAPSHOT

We launched **NXTPLAY**, the OTT app that gives over 300,000 hours of local and global content to our customers from leading international, domestic, and regional OTT platforms. It is an opportunity for our partners to strengthen their relationship with the subscribers, but more on that later. Leading print and e-magazines like The Financial Express, Free Press Journal, Indian Television, Medianews4u, and Readers Messenger covered the launch of **NXTPLAY**. We even promoted **NXTPLAY** at the International India Film & Television Awards 2023. The VidNet Summit 2023 saw our Chief Operating Officer, Mr. NK Rouse as a panel member who spoke about 'Now Accelerating Consumer Demand and OTT Uptake through Experiences'. We added Disney + Hotstar to our offerings on **NXTPLAY**, thereby giving our customers a wider range of choices of their favourite OTT content.

## COMPANY SNAPSHOT

We launched our new enterprise networking solutions unit, CelerityX. CelerityX offers a portfolio of bespoke digital solutions for enterprise customers at scale. It is a one-stop networking solution with services like OneX, SkyX, NetX, and HomeX. We talk about it in detail in the later sections. Leading publications like CNBC Awaaz, ET Now, The Economic Times, CXO Today, The Hindu Business Line, and many others covered the launch.

## NEW LAUNCHES

At the end of the day, while travelling, or simply when bored, various forms of entertainment via the television or the internet comes to our rescue. **NXTPLAY**, our premier OTT integrated platform was launched to offer subscribers greater value. A consumer can download the app and subscribe to get entertainment at their fingertips.

SCAN TO DOWNLOAD

Speaking on the launch, Chief Operating Officer, Mr. NK Rouse said, "The launch of **NXTPLAY** is a continuation of one of our business principles centred around "Partnership for Growth". We have always strived to provide our Digital Service Partners with innovative solutions for their customers. After digital TV via cable and HITS, broadband and other services like public WI-FI and CCTV, adding OTT to our services portfolio was a natural progression - considering the surge in popularity of on-demand platforms in India. We wish to tap into a wider universe of customers through **NXTPLAY** with our offerings such as Disney+Hotstar, Sony LIV, Zee TV, Shemaroo, SHORTS TV and various other platforms."

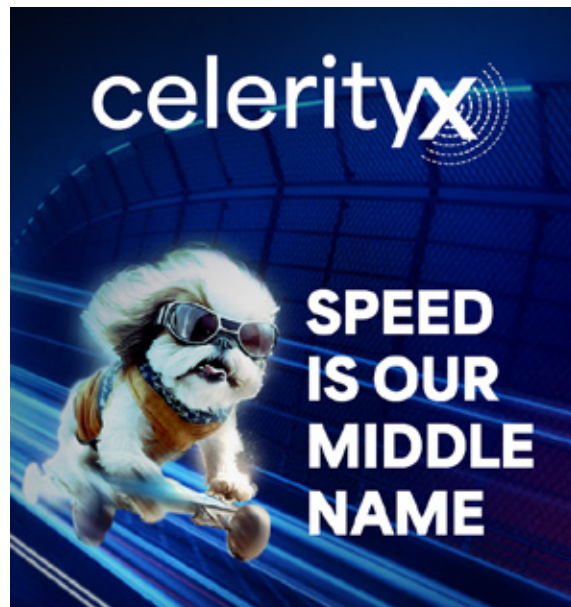

## NEW LAUNCHES

CelerityX is a game-changer when it comes to redefining enterprise networking. Do you know network breaches globally cost \$1 trillion and can reduce sales by 1-3%. Speaking at the launch, Sameer Kanse, Business Head for CelerityX, said, "CelerityX is dedicated to delivering inventive solutions and exceptional customer service. Through our digitally enabled service experience, we offer a comprehensive range of networking and connectivity solutions, elevating application performance in the cloud economy."

### CelerityX's solutions:

1. **NetX** – Simplify network management, eliminate vendor hassles, and improve efficiency.
2. **SkyX** – Enhance connectivity with India's premier Broad band-over-Satellite solution.
3. **OneX** – Streamline network management, mitigate cyber threats, and reduce costs.
4. **HomeX** – Optimize remote work productivity and security.

Embrace the Future of Enterprise Networking with CelerityX. To know more reach out to us at [info@celerityx.com](mailto:info@celerityx.com)

## WELLNESS PUSH

Our workplaces are where we spend the maximum time. Awareness on suicide prevention and mental health is an essential aspect of every office environment.

By openly acknowledging and addressing mental health concerns, **NXTDIGITAL** aims to create a supportive atmosphere that empowers all employees to perform at their best. We have instituted a support system that walks the journey with those in need towards a healthier life.

## EMPLOYEE TALENT SPOTLIGHT

### A True Value-Centric Company

In so many years of my experience working with various companies, I can safely say that **NXTDIGITAL** is the only organisation that has always stuck to its core values, laid down by the founders. One of the core values, "Partnership for Growth", is my favourite because even when the company faced so many ups and downs in the past five years, they have never refused or let down any of its partners. **NXTDIGITAL** has not only pushed its business partners towards growth but also treated its employees with a growth mindset in how they have pushed everyone to get out of their comfort zone and learn something new every day. Indeed, **NXTDIGITAL** has been one of the best organisations I have worked for!

आले सणासुदीचे दिवस शंभर  
सर्वांनी प्रगती साठी कसली आहे कंबर|  
चला एकत्र मिळून दाखवू आपली ताकत

# FESTIVITIES GALORE

## 100-DAY FESTIVAL PLAN

India, often referred to as the "Land of Festivals," is a country that cherishes many cultures, religions, and traditions. This diversity is beautifully reflected in the rich tapestry of Indian festivals celebrated with unparalleled fervour and zeal throughout the year. The country lights up with vibrant decorations and the spirit of giving.

The 100-Day Festival Plan is a golden addition to the celebrations at **NXTDIGITAL**! We are excited for this period to achieve greater heights and enhance our customer centricity to the next level.

# INDUSTRY TRENDS

## LATEST NEWS

### **Growth of Indian Internet Economy:**

India's internet economy is expected to grow six-fold and touch USD 1 trillion by 2030, mainly driven by the e-commerce vertical, a joint report by Google, Temasek, and Bain & Company foretold. The confluence of three crucial forces — digital-seeking behaviours among Internet users in Tier 2+ locations, digitisation of large, traditional businesses along with a growing start-up ecosystem, and the success of India's homegrown digital public goods or 'India Stack' — has positioned the internet economy for acceleration.

**Read more -**

<https://timesofindia.indiatimes.com/business/india-business/indias-internet-economy-set-to-hit-1-trillion-in-7-years/articleshow/100808673.cms?from=mdr>

### **Effectiveness of SDWAN for Enterprises:**

In today's digital age, organisations constantly seek ways to enhance their network infrastructure to meet the ever-growing demands of the modern business landscape. Software-Defined Wide Area Networking (SD-WAN) has emerged as a promising solution, offering improved flexibility, agility, and cost-efficiency compared to traditional WAN setups. While SD-WAN offers significant advantages regarding network flexibility and cost savings, it is essential to recognise and address the underlying challenges associated with migration. Effective planning, a focus on security, skill development, and careful vendor selection are critical to successfully transitioning to SD-WAN.

## PARTNER SPOTLIGHT

### Goa Event Partner Message

Dear OIL Team,

I hope this message finds you well. I wanted to take a moment to express my deepest gratitude for the OIL Strategic Partner Summit we had the privilege of attending from July 25 – July 27, 2023. It was an unforgettable experience, and I believe it has significantly impacted our partnership and the future of our collaboration. The insightful presentations and discussions during the event were both enlightening and thought-provoking. They provided us with invaluable insights into the direction of our partnership and how we can work together to achieve our mutual goals.

I want to reiterate my heartfelt thanks to the OIL team for hosting this exceptional offsite event. I look forward to building upon the ideas generated during this event to achieve new heights together.

Regards,  
**Kiran Shivaji Salunkhe,**  
Vihang Enterprises

## PARTNER SPOTLIGHT

### NXTPLAY Launch Partner Message

Dear **NXTDIGITAL** Team,

I wanted to extend my warmest congratulations to all of you on the exciting launch of **NXTPLAY**. This momentous occasion marks a significant step forward, and I couldn't be happier for your team's success.

It's truly inspiring to witness your dedication, innovation, and hard work come to fruition in **NXTPLAY**. This expansion will enhance your company's position in the market and provide valuable solutions to your clients' needs. As your business partner, I am confident that this venture will bring both organisations even more success and prosperity.

Best wishes for continued success and growth.

Regards,  
**Mangesh G Walunj**,  
SS Cable Network, Thane

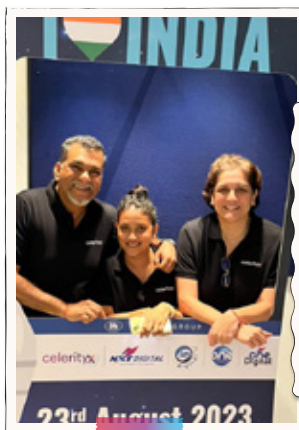

## CELEBRATIONS GALORE

A Satyanarayan Pooja was conducted at the INCentre office for our employees, and we invited everyone to grace the occasion and seek God's blessings.

Satyanarayan Pooja

Chandrayaan -3

To mark the historic landing of Chandrayaan-3 on the moon, we telecasted the event LIVE in the INCentre office. We put up a special photo booth for everyone to click pictures and commemorate the occasion.

Ganpati Bappa was welcomed with intense passion and festivities in the air at the INCentre office. He was our guest, and everyone lined up to catch his glimpse and seek his blessings! With unparalleled enthusiasm and excitement, everyone sung his prayers and celebrated him.

Ganesh Chaturthi

# WHAT LIES AHEAD

## UPCOMING EVENTS AND NEW LAUNCHES

The **NXT** Media Parivaar is only looking forward now! The future is exciting with new launches, expansions like never before, pushing our newly launched products, and wider network coverages.

Witness the biggest Cricketing extravaganza that India will host from October 5 – November 19, 2023, on the **NXTDIGITAL-HITS** and the **INDigital** network.

Celebrate festivals like Dussehra, Durga Puja, Navratri, Diwali, Guru Nanak Jayanti, Chhath Puja, Eid, and Christmas with us, watching your favourite content and enjoying in the company of your loved ones.

With the 100-Day Festival Plan, our focus is entirely on generating new enthusiasm in our **NXT-Parivaar** and make the atmosphere festive and full of fun. Our business leaders are all geared up to make this 100-Day Festival Plan the biggest thing of 2023 and end the year on a high!

Sameer Kanse, Business Head, CelerityX said, "Attitude is everything in the 100-Day Festival Plan and customer centricity reigns supreme. Our mission for these 100 days is to challenge the status quo with a commitment to exceptional experiences. We want our customers to discover our key pillars of service and enjoy our innovative approaches to our customers' pain points. We want to redefine market credibility and combine audacious innovation with heartfelt care."

## UPCOMING EVENTS AND NEW LAUNCHES

Satyaprakash Singh, Chief Operating Officer, OIL, said, "Since the 100 days plan started during the Lord Ganesha's birth week, there couldn't have been a better launch given to it. These 100 days are very critical to the company's long-term success in achieving the targets. Everyone has had a good time in preparing, researching, and planning on the business to develop the strategy with key stakeholders and maximise the impact on the outcome. There is excitement in the air, and everyone is aligned with the company's goals!"

Sanjeev Aggarwal, Chief Operating Officer, OIL, said, "At **ONEOTT ENTERTAINMENT Limited (OIL)**, the entire organisation is oriented and hustling towards chasing our goal of subscriber additions, improved customer experience, and responsiveness. The first phase of our National Long Distance fibre roll out of 8,000 kms which will provide us access, enhanced capacities, and improve customer experience to over 150 cities and towns is on track already. With the 100-Day Festival plan, we aim to grow OIL's broadband business exponentially and gain a significant market share in the country."

NK Rouse, Chief Operating Officer, says, "The 100-Day Festival Plan is a chance for every team to work aggressively and not just walk, but sprint on the road to greater success. This period is a good time to transform **NXTDIGITAL** into a customer-centric company and thrive to reach the top. At the end of 100 days, we aim to emerge triumphant and reach newer heights and become a force to reckon with in the distribution of digital media space."

The next quarter looks exciting for **NXTDIGITAL**, and we can't wait for you to be a part of it and share with you!

# THANK YOU!

NXT-Udaan wishes you and your families a very  
happy festival season, 2023!

**See you in the January 2024 edition!**
